With reference to art. 13 of Legislative Decree 196/2003 (Code regarding the protection of personal data), of the provision of the Guarantor for the Protection of Personal Data n. 3118884 of 8 May 2014 and of the European General Data Protection Regulation or EU Regulation 2016/679, of 4 May 2016, are followed by information dedicated to visitors to this site regarding privacy and data protection.

Please note that this website DOES NOT COLLECT, DO NOT REGISTER, DO NOT ARCHIVE or SAVE any data from visitors.

Our site does not use software to collect statistical data (such as Google Analytics), does not require visitor registration, has no registration form (Newsletter, contact form) or any user management system.

This site, created in WordPress, uses the following free third-party PLUGINS for its operation. These are functional programs that allow the web page to be active online in order to make the browsing experience better. These PLUGINS are the property of their developers who are themselves responsible for any data collection that our site in no way facilitates, favors or is interested in realizing: Autooptimize, Cookie Notice, Customify, PixCodes, PixTypes, Use Any Font , Use Google Libraries, Widget CSS Classes, WP Asset CleanUp (Page Speed Optimizer), WP Fastest Cache, WP Smush, WP Super Simple Speed, WPML Multilingual CMS, Yoast SEO.

#### DATA PROCESSING METHODS

Our website never requires personal data from visitors, so they are to be considered only as visitors and NOT as users. No data is registered voluntarily, nor communicated or disseminated.

#### Navigation data

This site does not use computer systems or proprietary software that could acquire, with the use, personal data whose transmission is implicit in the use of internet communication protocols. For example: the IP addresses or computer domain names used by users connecting to the site, the Referral, the addresses of the pages visited, the time and timing of the visit and other parameters relating to the user's technical environment. This data is neither collected nor used. In the event that this happens, for certain features of WordPress, this site is not responsible, since WordPress is a content management system not owned by us.

#### Data freely entered by the user

This site never requires personal data from visitors and for those concerning communications, they will be made directly by writing to the email address of the CONTACTS. By using email, visitors implicitly consent to the use of their data (email, name and surname) to allow a reply communication. These data are always used only to resolve the open incidence and never for commercial purposes or transmitted to third parties.

#### RIGHTS OF VISITORS

Visitors who communicate with this website via email, have the right at any time to obtain confirmation of the existence of their data, to verify their accuracy or to request their updating, anonymization, export or cancellation pursuant to article 7 of Legislative Decree 196/2003 and the GDPR.

## REGULATIONS AND INFORMATION RELATING TO COOKIES

Cookies are small text files that the sites visited by users send to their terminals, where they are temporarily stored before being re-transmitted to the sites on subsequent visits. A cookie cannot read personal data saved on the hard disk or cookie files created by other sites, since the only information it can contain are those provided by the user himself.

Access to one or more pages on this site may generate:

Technical cookies - Used to facilitate site authentication or collected for statistical purposes with the aim of analyzing aggregate information on the number of users and how they visit the site. The data obtained from these cookies are used exclusively to verify the proper functioning of the site, for statistical purposes and for the preparation of reports on the use of the site by users. Session cookies are also used to guarantee effective use of the portal and to authenticate online services, for example by allowing access to restricted areas. These are mostly cookies that are not stored permanently on the user's computer and disappear when the browser is closed and whose use is strictly limited to transmitting session identifiers. The use of these cookies does not allow the acquisition of personal identification data of the user.

Third-party cookies - For the use of social networks and other applications, third-party cookies may be installed on the user terminal via the portal.
